## 2024 AWSA Poster Contest

Student's Name:	Student's Grade & Age:
Name of School:	Name of Teacher:
	Teacher's Email:
Please use the space below to explain why wetlands are important:	

## Formatting guidelines:

Artwork must be 100% hand-drawn on a <u>8½" X 11" white piece of paper</u>. Any medium may be used (i.e. pencil crayons, markers, paint, crayons, etc.) but please refrain from using too much yellow/white/light colours (as top posters are scanned and blown up for judging at the provincial level in order to select the provincial grand prize winner, and light colors don't scan well).

Posters will be judged based on the following criteria:

- The Wetlands and Wildlife knowledge presented is locally accurate
  - Example: Draw a picture of the kinds of wildlife you would see in a wetland if you took a drive out in the country near where you live (e.g. a moose, waterfowl, beaver, etc.)
- General artistic ability
- Use of the whole page of paper (i.e. DO NOT leave white space!)
